### How To Order:

**Step 1.** Complete the student information section. The correct current address must be supplied if paying by check or credit card. All checks must include the school name, the child's name, current phone #, and a NC Driver's License # on check. No counter or out-of-state checks will be accepted. **A separate payment MUST be used for EACH child.**

**Step 2.** In the portrait order block, write the name of each package, your **Background (#)** and **Crop (A/B)** choice. All personalization (name) will be done according to the school data given, unless you order the personalized name (\$5) and legibly complete the personalization block. We can't be responsible for illegible handwriting. Please complete the Package Description for your purchase. Many items are the exact same price, so **Please Write Package Description** to avoid any mistakes.

**\*The DEFAULT Crop is A and Background is #5 if you fail to select one yourself. Correction reprints will not be available.**

**Step 3.** If you wish to add the retouching (\$6) or your name personalization (\$5), please mark the correct boxes. Retouching will eliminate **facial blemishes only** (ACNE). Our portraits are guaranteed against any photographic defect. Scars, glass glare, facial/hair shine (certain hair gels can cause this shine) or stray hair will not be corrected and are **NOT** considered a photographic defect. Combs and a mirror will be provided for use. We recommend a glass frame without lenses if you have tinted, polarized, the new "No Glare" lenses or thick lenses.

**Step 4.** Total the cost of your package(s), digital products and portrait options. **Enclose and Seal EXACT payment in the portrait envelope.** Keep this sheet for your record of purchase. **\*\*No CHANGE will be available and none will be returned to you at any time for any amount.**

\*\*Make check or money order payable to:
